4th MOP-UP ROUND FOR 5th SELECTION LIST

For following 04 (four) Govt.-aided Colleges/Institutes and 10 (ten) Self-financed Colleges/Institutes:

i) CU, ii) CU (H), iii) SNL, iv) SNL (H), v) JCCL, vi) JCCL (H), vii) SCL (H), viii) KPL, ix) SLC, x) GSL, xi) HLC, xii) JSL, xiii) SDLC, xiv) RSSL, xv) BBLC, xvi) LJDC, xvii) ARC

The **MOP-UP Registration Process** for admission to the **5 Year B.A. LL.B. Course – 2026** is an important step in ensuring that candidates are considered strictly according to their **merit and preferences**. Giving priority to merit is an essential component of a transparent admission process and is consistent with the principles of natural justice.

A candidate whose name appears in the merit list may participate in the MOP-UP Round by registering through the **University Admission Portal** using his/her **USER ID and PASSWORD**.

Participation in the MOP-UP Round and submission of preference(s) for College (s)/Institute(s) shall be entirely at the **discretion of the candidate**.

Important Points to be Remembered

1. Any candidate whose name appears in the provisional merit list **may or may not participate** in the 4th MOP-UP Round. However, a candidate who wishes to be considered for the **next Selection List must register** for the MOP-UP Round. **Only candidates registered in the 4th MOP-UP Round shall be considered for the 5th Selection Lists.** A candidate who does not register shall not be considered in the 5th Selection Lists.

2. Candidates registered under the 4th MOP-UP Round will be selected for the 5th Selection Lists through **Physical Counselling** at C.U. Rajabazar Science College Campus (**Separate Call notice for Physical Counselling will be published on the admission portal / website**).

3. An already-admitted candidate who **does not wish to change his/her existing college/institute need not participate** in the MOP-UP Round.

4. **A candidate who has already been admitted to any College/Institute**, may also participate in the 4th MOP-UP Round but he/she **cannot give preference to the College(s)/Institute(s) in which he/she has already been admitted.**

5. A candidate who has already been **selected in any Selection List but has not completed admission** may also participate in the 4th MOP-UP Round.

6. All candidates participating in the 4th MOP-UP Round must exercise their preferences carefully and thoughtfully. If a candidate is selected for any college/institute according to the preferences submitted by him/her, he/she must complete the admission process in the allotted college/institute. If the candidate **fails to complete admission in the newly allotted College/Institute**, he/she shall be **debarred from the admission system 2026.**

   Therefore, candidates are advised **not to include any College/Institute in their preference list where they are not willing to take admission if allotted**.

7. A candidate who has already been **admitted to any College/Institute** may also participate in the 4th MOP-UP Round if he/she wishes to change the college/institute. Such a candidate must exercise his/her preferences **very carefully**.

If the candidate is selected for another College/Institute on the basis of the preferences submitted by him/her, his/her admission in the existing College/Institute shall be **automatically stands cancelled** and the resulting vacant seat shall thereafter be offered to the next eligible candidate in the waiting list, as per the applicable admission rules.

The candidate **must complete the admission process in the newly allotted College/Institute. No further upgradation** will be allowed.

If the candidate **fails to complete admission in the newly allotted College/Institute**, he/she shall be **debarred, from the admission system 2026.**

Therefore, candidates are advised **not to include any College/Institute in their preference list where they are not genuinely interested in taking admission**, as allotment against a submitted preference may result in cancellation of their existing admission.

8. If an already-admitted candidate participates in the 4th MOP-UP Round but is **not selected for any of his/her submitted preferences** in the 5th Selection List, his/her admission in the existing college/institute shall **remain unchanged**.

9. A candidate who, after the 5th Selection List, has **neither paid the Seat Booking Fee nor the Residual Admission Fee** within the prescribed period shall not be entitled to claim the previously allotted seat. Similarly, a candidate who has **paid only the Seat Booking Fee but has not paid the Residual Admission Fee** within the prescribed period shall also not be entitled to claim the previously allotted seat after the **4th** MOP-UP Round.

10. If a candidate is selected for another College/Institute through the MOP-UP Round, he/she shall be required to pay the **Seat Booking Fee (if not paid earlier) and Residual Admission Fee** applicable to the newly allotted college/institute. However, a candidate who has already paid the Seat Booking Fee shall **not be required to pay the Seat Booking Fee again**, subject to adjustment/transfer as per the applicable admission procedure.

11. Candidates selected through the **5th Selection List** must complete all admission formalities **immediately after selection**, including uploading of the required documents and payment of the applicable **Seat Booking Fee (if not paid earlier) and Residual Admission Fee** within the prescribed period.

12. Candidates are advised to exercise their college/institute preferences carefully before submitting their MOP-UP Round registration, as the preferences submitted by them will be considered for subsequent selection as per merit and the applicable admission rules.

13. After the admission against 5th Selection Lists, all admitted students must have to pay the 1st Semester Fees to the respective Colleges/Institutes, otherwise his/her admission will be treated as cancelled though he/she paid the seat booking and residual admission fee.

14. After the admission against 5th Selection Lists, if any seats remain vacant or any additional vacancies arise, will be filled up by the candidate from the Provisional Merit List other than the already admitted candidates and candidates selected in the 5th Selection Lists.
