

University of Calcutta

5 Year B.A. LL.B. Admission 2025

3rd MOP-UP ROUND for 4th Selection List

MOP-UP registration process in B.A. LL.B. Admission - 2025 is very significant in respect of giving priority to the merit of the candidate. Priority to Merit is an important criterion for transparent admission process which will come under the purview of principles of natural justice.

A candidate who has ranked in the merit list can participate in the MOP-UP round process by registering his/her name through the University Admission Portal by login using his/her USER ID and PASSWORD.

Registration for MOP-UP round and giving preference college(s) should be completely his/her decision.

Few important points to be remembered:

1. Any applicant in merit list may or may not participate in MOP-UP round registration.
2. The candidate who wants to get a chance in the next selection list must have to register himself/herself in MOP-UP round.
3. Those who already selected but did not get admission may also participate in MOP-UP round registration but he/she will not get the preference college(s) in which he/she has already selected.
4. The candidate who already admitted in any college may also participate in MOP-UP round. But he/she has to select preferences very carefully. Because if he/she get selected in any other college(s) as per his/her preference, applicant must have to get admission in that college. Automatically, his/her admission in previous college will be cancelled. Next candidate in waiting will be selected on that vacant seat.
5. If an admitted student did not get chance for selection as per his/her preference in 4th selection list (3rd MOP-UP round), his/her admission in the existing college remains unchanged.
6. If an admitted candidate does not want to change his/her college, candidate needs not to participate in MOP-UP round.
7. Candidate who has not paid Seat Booking Fees and Residual Admission Fees, after 3rd Selection List, he/she cannot claim the previous seat in future after MOP-UP round.
8. Candidate, who has paid Seat Booking Fees only but did not pay Residual Admission Fees, can't claim the previous seat in future after MOP-UP round.
9. In case, after MOP-UP round candidate gets selected for another college, has to pay seat booking fees and residual admission fees. Candidate who already paid Seat Booking Fees, need not to pay the Seat Booking Fees again.
10. A candidate not registered in MOP-UP round he/she will not be in next selection list.
