Sub: Refund of illegal collection of 1st Semester Fee of B.A.LL.B. 2026

The University has observed that several Institutes/Colleges are collecting 1st Semester Fee along with Residual Admission Fee. This directly violates the 5-Year B.A. LL.B. Admission Guidelines for the 2026-2027 academic session, which strictly prohibit collecting 1st Semester Fee before publication of notification for payment of Semester Fee.

The matter was discussed in the meeting dated 12-10-2026 of the C.U Law admission committee 2026 under the Chairmanship of the Hon'ble Vice Chancellor, C.U. and resolved that

1. **All Institutes/Colleges that collected 1st Semester Fee must refund the full amount to students immediately.**
2. University authority advices to Guardians & Applicants not to pay 1st Semester Fee until publication of notification for payment of 1st Semester Fee. If you have already paid, please contact your college immediately to claim a full refund of 1st Semester Fee.
3. Admitted students are advised to pay 1st Semester Fee after publication of the notification for paying the 1st Semester Fee.

All concerned are directed to do the needful.
