Significance of Order of Preference

Higher preference will be open for up gradation in next phases of counseling and lower preferences will be closed. In some cases, a candidate may apply for more than one institute with Order of Preference. Candidate should give order of preference carefully; it may not be changed later. During Selection process, all the options of the candidate with Higher Merit will be considered first then the options of the next higher merit candidate will be considered. Once the candidate is selected in one option, all the lower options will be closed, keeping the higher options, if available, remains open for future chance. The preference 1 is higher option than preference 2 and so on. The candidate should select the institute as preference 1 which he/she thinks the best one and he/she intends to get admission, if he/she gets chance. Accordingly, 2nd best course as preference 2 and so on.

What is Higher Preference or Lower Preference?

Preference '1' is highest preference. Preference '2' is next higher preference and so on.
