University of Calcutta

2 Year LL.M. Admission 2026

2nd MOP-UP ROUND FOR 3rd SELECTION LISTS

The **MOP-UP Registration Process** for admission to the 2 **Year LL.M. Course – 2026** is an important step in ensuring that candidates are considered strictly according to their **merit and preferences**. Giving priority to merit is an essential component of a transparent admission process and is consistent with the principles of natural justice.

A candidate whose name appears in the merit list may participate in the MOP-UP Round by registering through the **University Admission Portal** using his/her **USER ID and PASSWORD**.

Participation in the MOP-UP Round and submission of preference(s) for college(s)/institute(s) shall be entirely at the **discretion of the candidate**.

Important Points to be Remembered

1. Any candidate whose name appears in the merit list **may or may not participate** in the 2nd MOP-UP Round. However, a candidate who wishes to be considered for the **next Selection List must register** for the MOP-UP Round. **Only candidates registered in the 2nd MOP-UP Round shall be considered for the 3rd Selection List.** A candidate who does not register shall not be considered in the 3rd Selection List. He/she may participate in next MOP-UP Round.

2. Candidates registered under the 2nd MOP-UP Round will be selected for the 3rd Selection Lists through **Physical Counselling** at C.U. Rajabazar Science College Campus **(Separate Call notice for Physical Counselling will be published on the admission portal / website).**

3. An already-admitted candidate who **does not wish to change his/her existing college/institute need not participate** in the MOP-UP Round.

4. A candidate who has already been **selected in 2nd Selection Lists but has not completed admission** may not participate in the 2nd MOP-UP Round for 3rd Selection Lists.

5. All candidates participating in the MOP-UP Round must exercise their preferences carefully and thoughtfully. If a candidate is selected for any college/institute according to the preferences submitted by him/her, he/she must complete the admission process in the allotted college/institute. If the candidate fails to take admission in the allotted college/institute, he/she will be debarred from participating in the next Round of MOP-UP registration.
   A candidate who completes admission in the allotted college/institute may participate in the next MOP-UP Round for further upgradation. Candidates who are not selected in a particular MOP-UP Round may also participate in the next MOP-UP Round by submitting fresh preferences.
   Therefore, candidates are advised **not to include any college/institute in their preference list where they are not willing to take admission if allotted**.

6. A candidate who has already been **admitted to any college/institute** may also participate in the MOP-UP Round if he/she wishes to change the college/institute. Such a candidate must exercise his/her preferences **very carefully**.
   If the candidate is selected for another college/institute on the basis of the preferences submitted by him/her, his/her admission in the existing college/institute shall be **automatically cancelled**, and the resulting vacant seat shall thereafter be offered to the next eligible candidate in the waiting list, as per the applicable admission rules.

The candidate **must complete the admission process in the newly allotted college/institute**. After completing such admission, he/she may also participate in the **next round of MOP-UP registration for further upgradation**, subject to the applicable rules.
If the candidate **fails to complete admission in the newly allotted college/institute**, he/she shall be **debarred from the admission process 2026**.
Therefore, candidates are advised **not to include any college/institute in their preference list where they are not genuinely interested in taking admission**, as allotment against a submitted preference may result in cancellation of their existing admission.

7. If an already-admitted candidate participates in the MOP-UP Round but is **not selected for any of his/her submitted preferences** in the 3rd Selection List, his/her admission in the existing college/institute shall **remain unchanged**.

8. A candidate who, after the 3rd Selection List, has **not paid the Admission Fee** within the prescribed period shall not be entitled to claim the previously allotted seat after the MOP-UP Round.

9. Candidates selected through the **3rd Selection List** must complete all admission formalities **immediately after selection**, including uploading of the required documents and payment of the **Admission Fee** within the prescribed period.

10. Candidates are advised to exercise their **college/institute preferences carefully** before submitting their MOP-UP Round registration. The preferences submitted by the candidate shall be considered for subsequent selection **as per merit and the applicable admission rules**.

11. **Candidates are advised to exercise their college/institute preferences carefully before submitting their MOP-UP Round registration, as the preferences submitted by them will be considered for subsequent selection as per merit and the applicable admission rules.**

12. **After 3rd Selection Lists No Upgradation will be allowed.**

13. **After 3rd Selection Lists any seat remain vacant or any vacancy arise, the said will be filled up from the candidates those who not get admission or chance in 1st, 2nd & 3rd Selection Lists.**
