

Sir,

This is for your kind information and necessary action that the syllabus for the Entrance Examination will be the same as the syllabus of South and Southeast Asian Studies shown in the website except for the GE and DSE papers. It would include Research Methods, Human Rights, History, International Relations between South and Southeast Asian countries, as well as their interactions with other global powers. It may cover topics like culture, international organizations, regional security, migration, and the influence of major powers in the region.

The Url for the same is given <https://www.caluniv.ac.in/cbcs-pg/pg-files/SSEAS-10-11-18.pdf>.

Best Regards
