

UNIVERSITY OF CALCUTTA

Dr. B. N. Chakravarty Memorial Master's Program: M.Sc. in Reproductive Biology and Clinical Embryology (Self-financed) in collaboration with Institute of Reproductive Medicine (IRM)

In view of high demand for the above-mentioned course among the In-Service Candidates/ Clinical Practitioners, following Addendum is made as the course is designed targeting the In-Service Candidates / Clinical Practitioners.

ADDENDUM

1. Creation of additional seats for In-Service Candidates/ Clinical Practitioners:

Additional 15 seats shall be created exclusively for In-Service Candidates / Clinical Practitioners. Candidates under this category will be exempted from the appearing in the Entrance Test. Instead, they need to appear in an Interview. Master degree holder In-Service Candidates/ Clinical Practitioners can also eligible to apply. Reservation rule will not be applicable to these additional 15 seats for In-Service Candidates/ Clinical Practitioners. For In-Service Candidates/ Clinical Practitioners there would not be any stipulation of year of passing. In-Service Candidates/ Clinical Practitioners have to produced supporting documents and NOC from the employer.

2. Seats for non-service candidates:

The 20 seats shall be allocated to non-service candidates. Applicants under this category must appear for the Entrance Test and fulfil the eligibility criteria specified in the previous notification. Reservation rule will be enforced for these 20 seats.
