Application Process:

A) For candidates who have already applied and paid requisite application fees but failed to attend interview / other steps of admission process:

- Submit a request through the respective Help Desk e-mail ID.
- Attach your **Application Form** mentioning **Application Form Number** along with your **current preference of subject (from above list of subjects)** for admission.
- Copy of e-receipt of Application Fees.

Those who appeared in earlier interview need not to apply again.

B) For any interested candidates not applied earlier:

- Complete the online application process through the admission portal.
- Pay the prescribed Application Fees.
- Thereafter, submit the required details through the respective Help Desk e-mail ID with the following:
 - Mention your **Application Form Number** along with your **current preference of subjects (from above list of subjects)** for admission.
 - Attach **Application Form**.
 - Attach copy of e-receipt of Application Fees.

Important Information

Last Date for Submission of Application: 09 July 2026 (up to 2:00 PM)

Eligibility criteria remain same as notified earlier.

Selection will be made following the admission rules, already published on the website subject to availability of vacant seats.

In few subjects, candidates are already in waiting list(s). In such cases selection will be made first from the waiting list, then fresh candidates, if seat found vacant.
